

THE Young University Rankings 2020

- The *Times Higher Education* Young University Rankings list the world’s best universities that are 50 years old or younger.
- The table is based on the same 13 performance indicators as the flagship *THE* World University Rankings, but the weightings have been adjusted to give less weight to reputation.
- The universities are judged across all their core missions – teaching, research, knowledge transfer and international outlook – to provide the most comprehensive and balanced comparisons available.
- The 2020 ranking includes 414 universities, up from 351 in 2019.
